Laura Sordoni’s Social Club was created to honor the life, joy, and spirit of Laura Sordoni — a beloved member of both Danza Academy and Volunteers in Medicine.

Volunteers in Medicine (VIM) is a nonprofit organization in Luzerne County, Pennsylvania, providing free healthcare services to low-income, working, uninsured families. For 18 years, VIM has delivered compassionate medical care to approximately 50 patients daily.

Through VIM’s new Wellbeing Solution initiative, the Laura Sordoni Social Club will provide a dedicated social space for individuals with special abilities — offering connection, dance, art, culture, and community.

Since COVID, there has been a significant need for inclusive gathering spaces. This project helps create that space — one rooted in dignity, celebration, and belonging.

All proceeds from this solo entry directly support Volunteers in Medicine and the establishment of the Laura Sordoni Social Club.

**Your music must be in MP3 format on a USB thumb/flash drive.**

**The USB thumb/flash drive should be empty except for your solos to be performed at that competition and it should be clearly labeled with both performers’ names.**
